

Apple Turkeys

You will need:

1 apple

1 marshmallow

craisins or raisins

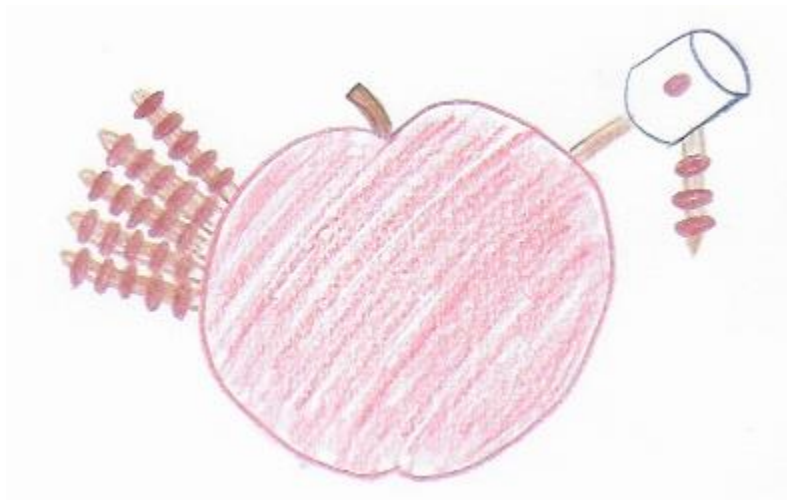

toothpicks

1. Put a toothpick into a marshmallow, then into the apple as the turkey's head.

2. Use toothpicks and craisins to make the turkey's eyes.

3. Put three craisins on a toothpick and put it in the marshmallow to make the turkey's wattle.

4. Put five craisins each on five toothpicks and put them into the apple for the turkey's tail.
