

# Ten Little Llamas

(a movement song)

One little, two little, three little llamas,  
Four little, five little, six little llamas,  
Seven little, eight little, nine little llamas,  
Ten little llamas jump!

Jump, jump, jump, jump, jump little llamas.  
Jump, jump, jump, jump, jump little llamas.  
Jump, jump, jump, jump, jump little llamas.  
Now lay down and go to sleep!
